

Electric Vehicle Charging

Charging of Electric Vehicles

There are currently no facilities at "Belton House Holiday Home" to charge electric cars and for safety and Insurance purposes, ***NO*** charging of electric cars is allowed on the property, the road, under the garage door, on the driveway, or the use of extension leads, through open windows, or near the public pathway,

The nearest electrical charging station Abington Services which is 7 Miles away. The charging of the guest vehicle's away from the "Belton House Holiday Home" is fully their responsibility and "Belton House Holiday Home" cannot be held responsible for any loss, or damage concerning the charging of EV.

Thank you for your cooperation.
